

# RELEVANT SHIN BUDDHISM

SIMPLE SOLUTIONS TO LIFE'S CHALLENGES

Do you use paper maps or digital GPS? Neither is the territory. This introductory presentation will help clarify the map of Shin Buddhism. The territory of Shin Buddhism will be presented using light-hearted, informative activities that are relevant to the diverse interests of new and long-time attendees.

Rev. Dr. Kenji Akahoshi brings his background of transpersonal (spiritual) psychology and 15 years of presenting workshops to offer a program that helps to clarify and incorporate basic Shin principles to guide our daily life. The casual format allows for individual interpretation that invites relevance to each person.
