

YARN SALE PART II!

Saturday, May 26 from 10AM to 2PM
Buddhist Temple of San Diego (Annex Hall)
2929 Market Street, San Diego 92102

Thanks to a generous donation of a ton (at least!) of yarn and related items, we still have more than we can store for the usual temple sales.

Skeins, balls and cones of yarns will be available in many colors, textures and weights—many of these are “designer yarns.” Most are first quality, unused, and still within their original wrappers/labels.

PRICING (for this sale):

Skeins/Balls - \$1.00

Coned Yarns - \$5.00

*Some bagged remnant or partial skeins/cones will also be available (priced as marked).

There will also be some knitting and other “yarn craft” magazines and books; knitting needles and crochet hooks for sale. “Left-overs” will be available at the Japanese Cultural Bazaar the following Sunday, June 3, at 11 AM.
